- 13:30 event ends

About Barbara Stewart

Barbara Stewart is a Chartered Financial Analyst with 28 years of investment industry experience; five years as a foreign currency trader and then more than two decades as a portfolio manager investing on behalf of high net worth entrepreneurs. 10 years ago Barbara saw a need to challenge outdated financial industry stereotypes and share positive messages about women and money. Today, Barbara is recognized worldwide as one of the leading researchers in women and finance. Her Rich Thinking® global research papers quote smart women from all ages, professions and

countries and are released annually on International Women's Day, March 8. Barbara is a columnist for CFA Institute, Canadian Money Saver, and Golden Girl Finance. She is also on the Advisory Board of Kensington Capital Partners in Toronto.

Barbara is a keynote speaker for CFA Societies, banks and stock exchanges around the world, and conducts interview driven research for financial institutions in Canada and globally.
